

Organization Name: Suzhou City University

Organization Address: 1188 Wuzhong Avenue, Suzhou, Jiangsu, China 215104

Organization Introduction:

Suzhou City University (SZCU) originates from Wenzheng College of Soochow University established in 1998. The College was transformed into SZCU in December 2020 as an independent undergraduate-level public university. Adhering to the mission of being "Locally-rooted, Application-oriented, Open, and Featured", SZCU is dedicated to developing itself as a first-class high-level application-oriented university in China.

The University currently offers 7 disciplines including Humanities, Sciences, Engineering, Economics, Management, Law, and Arts, through 8 Schools, Wenzheng Academy, and the Department of Fundamental Subjects, providing 52 undergraduate programs with close to 12000 full-time students on campus.

The University upholds openness and promotes high-quality international cooperation. With focus on student/staff exchange and academic/research collaboration, SZCU has established close cooperative relations with more than 50 universities in over 10 countries or regions.

Program Name: 2025 "Discover Suzhou" Suzhou City University Summer Camp

Program Introduction:

Suzhou, a dreamlike water city, makes you feel as if you are immersed in poetry and painting. The exquisite gardens, tranquil ancient canals, and the delightful food all captivate visitors. Strolling through the ancient alleys of Suzhou, accompanied by a gentle breeze, feels like traveling through time. Here, you can see the traces of history and the blend of tradition and modernity. Leisurely exploring Suzhou, you witness the elegance and serenity of the gardens, hear the gentle flow of the ancient canals, and taste the unique charm of the water town in Jiangnan.

During the 8-day program of study, visits, and experiences, the campers will engage in Chinese culture lectures, visit famous historical sites and local villages and towns in Suzhou, and experience intangible cultural heritage crafts. Through these activities, the campers will get a deep understanding and immersive experience of the profound Chinese culture and landscape.
